

A. A. U. Board to Pass on Thirty-six New Records

Twenty-seven Aquatic Marks
Listed Among Feats of
Past Year

By A. C. Cavanaugh

When the record committee of the A. A. U. presents its report to the delegates at the annual convention in St. Louis to-morrow it will recommend the acceptance of nine new marks established on track and field and twenty-seven in tidal and tank water swimming events during the last year. A large number of other unprecedented feats which failed to pass muster before the committee have been classed among the noteworthy performances.

The new records listed during the last twelve months are the low water mark in the history of the union. Many officials attribute this to enlistment in the various branches of the service by the majority of the champions, which made it impossible for them to compete in championship and other meetings.

Swimmers Improve

That swimmers have shown wonderful improvement is evidenced by the great list of new aquatic figures. Norman Ross, of the Olympic Club, of San Francisco, who was the first to intro-

duce the six-beat kick in this section of the country, stands out prominently in this sport. Of the sixteen records made by male swimmers, half are credited to Ross. He also established three of the five world records made under the rules of the International Swimming Federation. The name of Ross is mentioned eleven times among the twelve noteworthy races of the year.

Eleven new swimming records were set by female performers, five being credited to Olga Dorfner, of the Philadelphia Turbine, and three to Dorothy G. Burns, of the Los Angeles Athletic Club. Miss Claire Galligan, of New Rochelle, is also among the record smashes.

Two for Overton

John W. Overton, formerly of Yale, but now in the marine service, earned the highest position among the athletes. He is cited for running 1,000 yards in 2:14 and the one mile in 4:16. Both records were accomplished on flood tracks. American indoor marks were also made by George W. Derrnell, of the Chicago Athletic Club, who ran 100 yards in 1:10 and the one mile in 4:16. Both records were accomplished on flood tracks. American indoor marks were also made by George W. Derrnell, of the Chicago Athletic Club, who ran 100 yards in 1:10 and the one mile in 4:16. Both records were accomplished on flood tracks.
